“I love YD magazine! The lessons are always simple and easy to understand, and the stories are great for family worship. Thanks for the great magazines, I look forward to getting a new one every Sabbath!”

—Kara, 15

“I’m loving the YD theme and the great deep Bible studies for the kids. What a blessing! As the new Junior room coordinator I was a little nervous about how the new materials would be accepted. . . . Attendance has doubled, plus we have 2-3 visitors every Sabbath. The kids are excited about the program, and some adult church members with sketchy attendance are now at church weekly because they say ‘Our kids push us out the door to get to Sabbath School on time!’ What a happy turn of events!” —Debbie, Sabbath School Leader
